As a parent or guardian, you have chosen to enroll your child in Trinity Lutheran School. Trinity school exists to assist parents in the spiritual and academic education of their children. By making the decision to enroll your child at Trinity, you have made a commitment to your child's education, both spiritual and academic. In so doing, you are committed to adhere to the rules, regulations, policies, and procedures of the Handbook. Although as a practical matter it is impossible to provide clear, concise, and complete guidance on each and every issue that may arise during your child's attendance at Trinity, this handbook has been created so that the goals and the Christian environment of the school are communicated to each family.

Please familiarize yourself with this handbook and familiarize your child with the aspects that pertain to your child. By your signatures, you and your child are making the commitment to have read the handbook and that you will abide by the guidelines in it. Return it to school on the first day.

We the parents, guardians, and students undersigned, acknowledge the receipt of the handbook and we agree and acknowledge the following:

1. We have read the handbook, discussed it with our child(ren), and agree to abide by it.
2. We will take care of our financial obligations in a timely manner.
3. We will worship regularly as a family.
4. We will support the faculty and staff and treat them with respect, and we can expect the same from them.
